**Bulloch M.D.A.A. chapter honored for activities**

Citations of Merit have been awarded to leading participants in Bulloch County for the 1956 March for Muscular Dystrophy by Muscular Dystrophy Association of America, Inc. It was announced today by Mrs. Cluise Smith, chapter president.

Presented to organizations, their leaders and volunteer workers who took part in the annual M.D.A.A. house-to-house drives for funds to fight the crippling and fatal malady, the citations are "In recognition of distinguished service in the march to find the cure and in giving comfort to the patients with muscular dystrophy." There were more than 200,000 victims of the disease, most of them children.

Mrs. Smith said local residents contributed \$356.27 to M.D.A.A. for research, seeking a cause and cure for muscular dystrophy and for patient services, clinics, transportation and educational and recreational programs for child and adult victims for the disease.

Funds raised during the 1956 march for Muscular Dystrophy will also help speed completion of the Institute for Muscle Disease as a center for concentrated research into muscular dystrophy and allied diseases afflicting millions of Americans.

Announcing the presentation of the awards, Mrs. Smith said "My deepest gratitude goes to all the good citizens of Bulloch County for their generosity in contributing time and money to help those who cannot help themselves."

Those receiving the citations are: Mrs. Hudson Allen, Mrs. Bill Keith, Mrs. Frances P. Brown, Ezelle Graham, Mrs. Ben Deal, Mrs. Bill Tucker, Mrs. Grady Spence, Miss Leonora Hogarth, Mrs. Josh Lanier, Mrs. John W. Davis, Mrs. Bernon Gay, Mrs. Bob Akins, Mrs. Jean Coleman, Mrs. Roy Lanier, Mrs. Eloise Ware, Mrs. Dewayette Wallace, Mrs. Hassie Maude McElveen, Mrs. Edna Scott, Mrs. Sam Brannen, Mrs. Emil Deal, Mrs. H. P. Jones Sr., Mrs. J. D. Boatright, Mrs. J. B. Anderson, Mrs. Ray Trappell, Mrs. R. L. Roberts, Mrs. John Mock, Mrs. Bobby Smith, Mrs. Deal Baxter, Mrs. Herman Bray and Lizzie Norman.

The participating organizations are: Port Theatre, Statesboro Theatre, West Side Portal and Sifton Farm Bureau, B. & P.W. Club, W.W.N.S. the Bulloch County Health Department, Statesboro Junior Club, The Statesboro High School, The Statesboro Band Mothers Club, The American Legion Post 90, Statesboro Fire Department and Willow Hill School.

Members of the executive board are: Dr. Fielding Russell, Miss Maude White, Mrs. J. D. Fletcher, Mrs. Cluise Smith, president; Mrs. Ruby Waters, Dean Baxter, Miss Sara Hall, Dr. Hubert U. King, Leode Coleman, Don Coleman and Mrs. M.D.A. CHAPTER TO MEET HERE APRIL 4

Mrs. Cluise Smith, president of the Bulloch County chapter of the Muscular Dystrophy Association of America, announced today a meeting of the county chapter members on Thursday night, April 4, at 7:30 at the Bulloch County Health Center on North College Street. She urges all members to be present.

AS PART of their celebration of National Girl Scout Week members of the local Girl Scout troop conducted the Flower Ritual at the March 14 meeting of the Junior Woman's Club as a special service. Shown here, left to right front row, are: Carley Rushing, daughter of Mr. and Mrs. J. B. Rushing; Sue Dixon, daughter of Mr. and Mrs. J. L. **The Bulloch Herald is 20 years old this week**

A ten dollar equity in a typewriter, the confidence and good will of the citizens of Statesboro and Bulloch County, and a sublime ignorance of the newspaper business constituted the entire assets of a newspaper without a name, founded in March, 1937.

The newspaper, conceived by Leode Coleman, the late James F. Coleman and G. C. Coleman Jr., sons of Mrs. G. C. Coleman Sr., was founded in March, 1937, in the depths of the depression, was named only minutes before its first issue went to press on March 26, 1937.

We preempted the income from that first issue to finance the next three issues and we were in the newspaper business.

We printed 5,000 copies of that March 26, 1937 issue and mailed it to every rural box holder in Bulloch County and put a copy in every home in Statesboro, Brooklet, Port, Register and Sifton.

Because we had no printing equipment our first issue was printed in Swainsboro by the late Wesley Hobby, publisher of the Swainsboro Forest Blade.

Mrs. Ernest Brannen, faithful for twenty years, wrote the society news for that first issue. Mrs. John R. Robertson, faithful for twenty years, wrote the Brooklet news in that first issue. Miss Maude White, a faithful contributor for twenty years, wrote the Nevils news in that first issue.

The late Walter McDougald wrote our Clippings Callings, a first columnist, writing what became the most popular and interesting feature in the paper, "Clippings Callings."

The feature of that first issue was a reproduction of the front page of the May 16, 1879 issue of The Excelsior News, the first continued on back page

**Rites held for Mrs. John P. Lee**

Mrs. Susan Jones Lee, 83, died Thursday morning, March 21, at her home after a long illness. She was the widow of the late John P. Lee, former Bulloch County tax commissioner. She was a member of the Statesboro Primitive Baptist Church.

Funeral services were held last Friday afternoon at 3 p. m. from the Statesboro Primitive Baptist Church with Elder T. Roe Scott officiating. Burial was in the East Side Cemetery.

The following nephews served as pallbearers: Jimmie Jones, William Jones, Robert Jones, Edward Jones, R. L. Cone and Harold Lee Cone.

The body remained at the residence on South Main Street until the funeral hour.

Barnes Funeral Home was in charge of arrangements.

**1957 Fishing Rodeo set for Sat. April 20**

Charles Robbins Jr. of the Robbins Packing Company and Max Lockwood, superintendent of the Statesboro Recreation Department, this week announced that the second annual Fishing Rodeo will be held at Robbins pond on U. S. 80 northwest of Statesboro, on Saturday, April 20, beginning at 10 a. m.

This popular event will be open to all boys in several age groups with prizes in several categories. Rules and entry blanks will be announced and made available later and all young fishermen are urged to watch The Bulloch Herald for additional announcements.

Charles Robbins Jr. will fire the "line-wetting" gun promptly at 10 a. m. that Saturday morning.

City merchants and businessmen who may be interested in offering additional prizes for this youth event may contact Mr. Lockwood at the Recreation Center.

After the fishing is all done and the winners announced, the young fishermen will be the guests of Robbins Packing Company at one of Robbins' famous hot dog roasts.

The public is invited to take part as spectators.

**Dr. Russell to speak to scouts**

Dr. Fielding Russell of Georgia Teachers College will speak to the Boy Scouts and parents of Troop 26 in the National Area Council at the Pilgrims Presbyterian Church in Washington, D. C. Saturday night, March 30.

Troop 26 was chartered in 1931 with Herbert C. Tucker as scoutmaster from 1931 to 1935. The troop has never called in Statesboro, Brooklet, Port, Register and Sifton.

William Russell, son of Dr. and Mrs. Russell, served this troop as assistant scoutmaster for two years, later becoming the Explorer advisor for the senior scouts. He continues to serve the scouts while he is a student at George Washington University.

Dr. Russell is very active in scouting in the local county.

**NEW BUSINESS GETS NEW NAME—THE MUSKIE BOX**

Bernard Morris announced this week that the name selected for the new music store located at 27 West Main Street is "The Muskie Box."

The competition for naming the new business Miss Kay Preston, daughter of Congressman and Mrs. Preston, was declared the winner and received a credit for a choice of records.

**Concertmen to appear April 1**

Mrs. F. C. Parker Jr., president of the Statesboro Community Concert Association, announced this week that the third and last concert of the 1956-1957 season will be presented at the McCowan Auditorium at G.T.C. on Monday evening, April 1, at 8:15 o'clock.

The association will present the Concertmen and Edmond Karlrud, bass-baritone. The Concertmen is an all-star male ensemble offering precision and smoothness of a small ensemble, and at the same time are capable of presenting many of the great choral masterpieces. Each man has an extensive professional background in the concert, radio and TV fields; each is a soloist in his own right.

The Concertmen join Edmond Karlrud in a program of art songs, operatic scenes, operetta excerpts, folk songs and spirituals with all special arrangements created by the artist. Mr. Karlrud has appeared on all the major radio and TV networks and has appeared with the Philharmonic and the "Carnegie Poets" (New York Philharmonic).

**High school Science Fair at T.C. Mar. 29-30**

Over 200 exhibits of high school students will be on display at the sixth annual First District Science Fair on the Georgia Teachers College campus Friday and Saturday, March 29-30. These exhibits will be open to the public from 8 a. m. until 10 p. m. on Friday and from 8 a. m. until 12 noon on Saturday.

Tully S. Pennington, chairman of the First District Science Teachers Association, sponsor of the fair, stated that "It is likely it will be the biggest and best science fair we have had in the district."

Judges of the fair will include from the University of Georgia at Athens, Dr. J. J. Westfall, head of the botany department; Dr. E. H. Dixon, head of the department of physics and astronomy; Dr. T. H. Whitehead, head of chemistry

**MINA FRANKLIN CIRCLE TO MEET APRIL 1**

The Mina Franklin Circle of the Statesboro Primitive Baptist Church will meet on Monday, April 1, at 7:30 p. m. at the home of Mrs. Sula Freeman on South Main Street. All members are invited to attend.

**15 B. C. students on dean's list at Teachers College**

According to Dean Paul Carroll of Georgia Teachers College, fifteen Bulloch County students attending G.T.C. made the winter quarter dean's list. They are:

Freshmen: Eddie Fay Anderson, daughter of Mr. and Mrs. Cecil C. Anderson of Register. Miss Anderson is majoring in mathematics.

Sophomores: James Albert Brannen, son of Mr. and Mrs. Maurice Brannen, who is pursuing a B.B.A. degree; Ann Cason, daughter of Mr. and Mrs. Doris Cason, majoring in home economics; Rena Dixon, daughter of Mr. and Mrs. N. C. Dixon, majoring in mathematics; Lucy Melton, daughter of Mrs. Homer B. Melton, majoring in science; Annalee Reeves, daughter of Mr. and Mrs. W. R. Hues, majoring in business; and Claudia Tinker, daughter of Mr. and Mrs. J. M. Tinker majoring in home economics, all of Statesboro.

Juniors: Allen Webb, son of Mr. and Mrs. W. E. Webb, majoring in industrial arts; and Sue Whaley, daughter of Mr. and Mrs. George W. Whaley of Statesboro, majoring in elementary education, both of Statesboro.

Seniors: Curtis Paul Claxton, son of Mr. and Mrs. C. P. Claxton Sr. of Statesboro, majoring in physical education; Clarence Miller, son of Mr. and Mrs. Carl Miller of Port, majoring in social science; Jack Miller, daughter of Mr. and Mrs. R. P. Miller of Brooklet, majoring in home economics.

Jane Morris, daughter of Mr. and Mrs. B. B. Morris of Statesboro, majoring in general science; Carmen Powell, daughter of Mr. and Mrs. Hal Roach of Statesboro, majoring in elementary education; and Earl Swicord, son of Mrs. E. L. Swicord Jr., Statesboro, who is majoring in pre-dental.

Better than B-plus average is the requirement for making the dean's list.

**Boy Scouts go on camporee**

Members of Boy Scout Troop 340 of Statesboro will attend a spring camporee March 29-31 at the troop camping area located at the Statesboro airport.

The camp will be under the direction of Scoutmaster John T. Groover and assistant Scoutmasters Wayne Edwards and Chuck Mobley and a staff of qualified senior scouts. The troop and district committees will assist in the activities.

**Talent Revue is set for April 4**

The 1957 county-wide Talent Revue of all outstanding high school and college students in Bulloch County has been rescheduled for Thursday, April 4, at 8 p. m. in McCowan Auditorium of Georgia Teachers College. Cash prizes will be awarded the first, second and third place winners in recognition of their talent and performance as rated by a panel of impartial judges.

The public is invited to encourage the young people of Bulloch County to develop their entertainment talents by being present when some twenty different acts including talented young singers, dancers, acrobats, instrumentalists and actors demonstrate their ability on Thursday evening.

Additional high school or college soloists or ensemble acts may still enter the competition sponsored again this year by the Canterbury Club of Georgia Teachers College following the overwhelmingly successful 1956 Talent Revue sponsored last year when a Brooklet High School student won first place with a singing act entitled "Walking My Baby Back Home."

A G.T.C. student won second place with an Elvis Presley impersonation while a Statesboro High School student won third place on Thursday evening being continued on back page

**Baptist revival begins April 21**

On Easter Sunday, April 21, the First Baptist Church, Dr. Leslie S. Williams, pastor, will begin a week of revival services.

Preaching for this week of Revival will be Dr. Howard P. Giddens, pastor of the First Baptist Church of Athens, Georgia; Mr. Harold Carter, minister of music at the Hunter Street Baptist Church of Birmingham, Alabama, will lead the congregational singing.

The hours of the services during this week of revival will be announced later.

## Pittman School Is Recognized

German classes in the Marvin Pittman Elementary School have been published in the South Atlantic Bulletin and the Newsletters of the American Association of Teachers of German.

Dr. Zoltan J. Farkas, head of the foreign languages department at G.T.C., began the program at the beginning of last year and has continued teaching German in the fourth and fifth grades with the help of college students.

The Marvin Pittman School is the only elementary school in the southeastern states which offers the language. Though taught by oral methods, the students are able to read a limited amount of German by the end of a year.

Because wireworms can move rapidly through soil, they may severely damage plants, even a field that has been fumigated for nematodes, says C. R. Jordan, entomologist, Agricultural Extension Service.

## BUY AMMO-NITE

AMMONIUM NITRATE FERTILIZER 33.5% NITROGEN

It's simple arithmetic! AMMO-NITE—with 33.5% Nitrogen—contains over twice as much N as 16% Nitrogen materials. Switch to "hard-working" AMMO-NITE (if you haven't already). With occasional, low-cost liming, AMMO-NITE provides a better fertilizer for your land... and your pocketbook! See the chart below.

Based on a use of 2,000 lbs. of actual Nitrogen, here's a cost comparison example of AMMO-NITE (33.5%) and 16% Nitrogen.

	For 2,000 lbs. actual N you need	Cost	YOU SAVE
16% Nitrogen	12,496 lbs.	\$374.88 (@ \$30 ton)*	
AMMO-NITE (33.5% Nitrogen)	5,968 lbs.	\$262.66 (@ \$38 ton)*	\$112.22

#### Plans to free Bulloch County of

#### Bangs disease announced last week

Plans for making Bulloch County bangs free in the next few months were announced last week at the Nevis and Register Farm Bureau meetings.

County Commissioners Edgar H. Wynn, John Paul Ellis and H. C. McElveen passed and signed a resolution Tuesday, asking that the state and federal authorities come to the county and carry out an area test for brucellosis.

Dr. J. H. Sikes, district veterinarian for the state-federal project, accepted the resolution and immediately lined up help to carry out the work, starting about April 1. Bulloch County livestock men have been asking for this service for several years.

Dr. Sikes stated that Dr. John Cobb, local veterinarian, had agreed to work with the project and that Dr. T. W. Powell, a Bulloch County boy who has been working in this field at Waynesboro, has moved to Statesboro to help Dr. Cobb. Additional help can be procured from veterinarians in adjoining counties, Dr. Sikes thinks. He would like to test every cow in the county for bangs in the next three to six months.

This service will be free to the

### Walden Deal will help at Register.

V. J. Rowe, rural telephone director at Nevis, and C. C. Anderson, a director from Register, urged their chapters to return the telephone ballots recently mailed them asking for advice on whether to seek extended scope service or not. These directors assured the co-op telephone members they desired to carry out the wishes of the members, but that this extended scope service was what most members desired when the program was started here some five years ago.

If extended scope service is procured it will mean that every family with a phone in Bulloch County can be contacted by phone without any additional toll charge. A small area is served from Pembroke that would still carry a long distance charge.

### B. & P.W. Club names delegates to state meet

The Business and Professional Women's Club held its regular meeting for March at Mrs. Bryant's Kitchen Monday evening, March 18. The radio and TV committee had the program in charge.

Since the chairman of the committee, Mrs. Eloise Ware, was absent due to illness, the co-chairman, Miss Nanette Ellington, presented the program, which consisted of a taped recording of the speech delivered by Miss Hazel Palmer, the president of the National Federation of Business and Professional Women's Clubs in Savannah last September during National Business Women's Week.

Mrs. Minnie Lee Johnson expressed the club's regret for the loss of Mrs. Eloise Ware who is moving to Atlanta and where

### P. O. seeks to liquidate postal saving system

Postmaster D. R. DeLoach said today the Post Office Department is urging Congress to liquidate the Postal Savings System because it has outlived its usefulness.

Locally, postal savings total \$238,000 today, compared with approximately \$620,000 ten years ago.

Postmaster General Arthur E. Summerfield, the local postal head explained, has urged that the Congress approve legislation which would permit liquidation of postal savings in such a way that there would be a minimum of inconvenience to depositors.

Such legislation, which is in the hands of the House Committee on the United States, is now pending in Congress, Postmaster DeLoach noted.

Pointing out that postal savings deposits have dropped rapidly—from \$3,393,000,000 in 1947 to \$1,763,000,000 in 1956, with declines continuing at the rate of about \$20 million a month—Postmaster DeLoach said the Post Office Department feels the system "no longer meets today's social conditions and savings habits."

Noting that today nearly all items of business were discussed, Mrs. Catherine Kirkland gave a report on the progress of the nurse's scholarship committee. The treasurer's report was given, and the club voted to purchase a scrapbook which is to be compiled for presentation at state convention.

#### Low-Line, High-Crop Clearance Are Combined in NEW TRACTOR

A new low-line, high-crop clearance 3-plow tractor weighing approximately 4,100 pounds, said to be a new concept in tractors, is announced by Allis-Chalmers according to Hoke S. Brunson, Allis-Chalmers dealer who attended a sales meeting at the company's Atlanta branch where this new tractor was introduced.

Mr. Brunson says this new Model D-14 gives farmers the convenience of a low-profile tractor, easy to get on and off, but with as much cultivating clearance as a high-wheel row-crop tractor. Some of the other exclusive features in this tractor are a new power control system that permits shifting on-the-go to high or low range, providing 8 forward speeds; completely enclosed hydraulic system; unusual comfort, security, and vision with the new easy-ride seat and wide roomy platform;

## D-D

SOIL FUMIGANT

Get your tobacco off to a good start this season by controlling nematodes with D-D soil fumigant. D-D soil fumigant is an easy-to-use liquid. Apply it directly to the soil with a spray gun or simple pressure equipment. In the ground it becomes a potent gas, killing root knot and other harmful nematodes as it spreads. And a single treatment gives effective control for an entire season.

This season, see for yourself how a pre-plant soil treatment with D-D soil fumigant pays off in bigger yields. D-D soil fumigant is available from your local pesticide dealer.

### Recreation board praises G.T.C. students

The Statesboro Recreation Board last week was high in praise of activities carried on by Students of the physical education division at the Georgia Teachers College in their work in the Statesboro recreation program.

Thirty-two students have spent a total of more than 900 hours in the local program this winter quarter. The students are assigned to all phases of the program and work under the supervision of the recreation staff.

Mr. J. I. Clements is the college instructor in charge of the program, which has gained recognition as one of the best training programs in the southeast. The students learn community recreation by actually being a part of a community recreation program.

Over a period of seven years several students, working in this phase of the physical education program, have become interested in making recreation a career.

#### Weed control to be demonstrated

The best known method of applying Crag 1 as a pre-emergence weed control on peanuts will be demonstrated here today, Thursday, at 2 p. m.

The demonstration will be held at the Tri-County Liquid Fertilizer plant on the stock yard road near the new William James High School.

Several peanut growers, including C. J. Martin, the county champion last year, have tried this method of controlling weeds on peanuts to an advantage. The practice helps to prevent damage to peanuts by cultivating close to them and reduces the chances of infection with white mold.

Mr. Martin thought that perhaps the use of Crag 1 did as much as anything to help him produce 2,354 pounds of peanuts per acre last year.

The material is applied at planting time in about a 12-inch band with a spray attached just behind the planter. It is the

### CARE OF CULTIVATORS

Now is the time to prepare cultivators for this spring's use by replacing sweeps where necessary, says engineer H. B. Goolsby, Agricultural Extension Service. Worn parts should be replaced. It is time, too, to make preparation for side dressing equipment where it is to be used during cultivating operations.

### Dining-Student Center Will Be Built This Fall

President Zach S. Henderson announces that construction on the new dining hall-student center should begin early next fall.

The money for the building, which cost approximately \$500,000, was appropriated at a recent meeting of the Board of Regents. This money will not be gotten by the sale of bonds, therefore this will not hold up construction as it is now doing on the new classroom building.

As soon as possible, architects will submit plans for the new center, and when they are selected the school will receive bids and work will begin.

Plans that have been made call for the new building to house the little store, book store, snack bar, lounge and offices on campus. Besides these student facilities, it will also contain a new dining hall and the post office.

As yet, definite plans have not been made for the location of the center. As soon as the blueprints are ready the surveys will mark off the site.

President Henderson announces that it will probably be where the little store is now situated.

CARD OF THANKS I wish to take this opportunity to thank all those who were so wonderful to me during the long illness and at the death of my mother, Mrs. John P. Lee. Your expressions of kindness and sympathy mean much to me and will sustain me in the years to come. I also wish to thank Dr. John Barksdale and Dr. John Mooney for all they did.

### International Blue Key Fraternity Will Become Local Organization

A local chapter of the Blue Key, an international honorary fraternity, has just been organized on the G.T.C. campus.

Dr. J. D. Park is to be the faculty advisor for the new chapter. Blue Key was organized by Major Bert C. Riley of the University of Florida to unite the leading students for the benefit of the university on February, 1925. Since then it has expanded rapidly. While the activities of the chapters vary widely in different institutions, Blue Key aims to recognize outstanding qualities in character, scholarship, student activities, leadership, and service.

Membership is composed of graduate and undergraduate students of all departments of the university.

### "Willie Wiredhand" Says "UNIQUE"

Electrifying the vast rural areas of our great country has been UNIQUE. The singleness of purpose, the untiring effort, the constant aggressiveness and the unselfish devotion to ideals by its advocates has never been excelled.

Surely a prime motivating force has been the men and women of the soil who were ambitious to provide for themselves ample electric service at a price which they could afford to pay. Perhaps it even became an obsession with many who envisioned an equal, even competitive, opportunity in this rural development for their children and their children's children. For others it could have been the comforts, conveniences or even the safety which could be utilized once this wonderful servant was available to them.

Georgia's 41 rural electric cooperatives are still owned and many are still staffed by the people who performed this UNIQUE feat. The 41 Rural Electric Membership Offices which are headquarters for their service areas are monuments to what was once pushed aside as an impossible undertaking.

Yes! Rural Electrification is a monument to the matches, unequalled, UNIQUE accomplishments of rural people. It is a monument which has been achieved as the result of properly blending ample sweat and perseverance with absolute faith.

### Jimps H. D. Club meets at kitchen

The Jimps Home Demonstration Club held its last meeting on February 27 at 3:30 in the demonstration kitchen with Mrs. Fred Bland and Mrs. G. W. Clark as hostesses.

Some of the members who wished to make ear bobs and trays came at 1:30 and Mrs. Thigpen and Mrs. Gear led the group in this work.

Mrs. Rufus Joiner presided over the business session. Mrs. Emmett Scott gave the devotional.

Mrs. Thigpen announced three important meetings in March. One of which was the tour of Rick's in Atlanta on March 23. The door prize was won by Mrs. R. D. Lanier.

### Warnock H. D. Club Meets

The Warnock Home Demonstration Club held its March meeting on Thursday, March 14, at the home of Mrs. Foy Wilson with Mrs. Carl Blackburn as co-hostess.

Mrs. Atkins is president and called the meeting to order after which Mrs. Blackburn presented the devotional and the members pledged allegiance to the flag.

Interesting reports were given on archery by Mrs. Charlie Cone and on clothing by Mrs. Ivey Wynn.

The club voted to send \$5 to the Rural Cross.

Mrs. Gear, the assistant home demonstration agent, gave a demonstration on cake decorating.

The meeting adjourned. Delicious refreshments were served. Mrs. Lannie Lee is secretary.

## Looking at the graduate of Georgia Teachers College

Last week we received a copy of the Georgia Teachers College Alumni Quarterly. In it is a story on the Georgia Teachers College graduates, which we believe will prove interesting to our readers. Here it is:

Twice each year, in June and August, Georgia Teachers College turns its graduates into the academic stream of degree people. This has been going on since 1929 when the college awarded the first bachelor of science degrees to four people. Including the August graduates of 1954, the number four has increased to approximately 2,500. Recently, a survey was conducted to find out a few "vital statistics" about the 2,500. Here are the results:

Cards asking for information were mailed to 2,350 graduates of Georgia Teachers College. Usable returns were received from 1,170 of the graduates. Of this number, 690 were women and 480 were men. Women graduates range in age from 19 to 77, while men graduates have an age range from 19 to 65. The average age of the G.T.C. graduate, both men and women, is thirty-five.

Of the 690 women who returned the questionnaire, 170 are single, 22 are widows, 15 are divorced and 483 are now living in the state of matrimony. The 690 women graduates have 240 children. This is an average of 35 children per female graduate or one-half child for each married woman. The largest number of children reported by a woman graduate was 10.

The 480 men who returned the cards have 244 children. This is an average of 47 children per male graduate or one-half child for each married male graduate. Seventy-eight of the 480 are single. Two are divorced, none are widowers. On a percentage basis there are more single women than single men. Twenty-four per cent of the reporting women are single while only 16 per cent of the men checked in as single.

In checking advanced degrees, 138 or 20 per cent of the women graduates indicated degrees above the bachelor level. A larger percentage of the G.T.C. men have received advanced degrees. Out of the 480 returns, 216 or 45 per cent, reported degrees since receiving the B.S. Twelve of these were doctor of philosophy or doctor of education degrees, three were dentists and six medical doctors. Law and divinity degrees were also listed. The most popular graduate level degree is the master of education.

Teaching is the most popular job for the G.T.C. female graduate. Out of the 690 cards returned, 360 indicated teaching jobs. Of these, 240 are teaching in the elementary school. The remaining 120 are teaching in junior high schools, high schools, high schools and colleges. Forty women are principals, librarians, supervisors, or doing some kind of administrative work. This makes a total of 400 women graduates who are

## Baptists move in their new church at Register

The Register Baptist Church at Register moved into their new brick church building last week following a year of active work among the members to replace the church which was burned last year.

The Rev. W. H. Howard, pastor of the church, now a modern church building, announced at the first services in the new building Sunday, March 17, that within a few weeks a "homecoming" will be observed and recognition given to all those who participated in replacing the burned edifice with the new church.

In 1906 a small group of local inhabitants under the leadership of Mr. Register organized the Missionary Baptist Church of Register, and in 1907 the church was admitted to the Bulloch County Baptist Assn. In 1908 a church building was erected. In 1956, only a few weeks after the church building had undergone extensive repairs the

building was destroyed by fire. Of the nineteen original members only three are living. The charter members living today are Mrs. C. C. Daughtry, Dr. H. C. McCrackin and Mrs. E. B. Kennedy.

A history of the Register Baptist Church which includes a short history of the town of Register has been published by Col. Barney A. Daughtry, U. S. Army.

years old, is married, has 35 children, does not have a fifth year degree, is now teaching and has taught 13 1/2 years, makes \$3,100, and wants to do graduate work at G.T.C. The average male graduate is 35 years old, married, has 47 children, just misses having a fifth year degree, is now in some type of school work, has taught 10 1/2 years, makes \$4,500.

To the future G.T.C. alumni, we might point out that the men make more, have more children, and stand a better matrimonial chance than the women.

## Stilson News

### Stilson community received wonderful rain last week

By MRS. W. H. MORRIS

Last Saturday night and Sunday we had the most wonderful rain. Not a drop of rain at any time, but just good showers. It was a few days last week with no rain, but it was nice for bringing up that which is already planted.

I guess there will be a good number of folks in this community who will get some tobacco set out this week. I have heard a few say they would start setting today (Monday), but my guess is that the fields are too wet for planting today but by tomorrow (Tuesday) they may be able to get into the fields to set out tobacco, unless we have more rain.

Miss Shirley Jordan and W. L. Newman of Savannah were dinner guests of Mr. and Mrs. W. H. Morris.

Mr. and Mrs. Joe Cribbs and children, Barbara and Vickie Sue of Savannah spent the day Sunday visiting relatives here.

Mrs. Lavern Sanders of Savannah spent the weekend visiting her parents, Mr. and Mrs. H. N. Shurling.

Mr. and Mrs. James E. McCall, Nancy, Cathy, and Eddie McCall spent the weekend of March 15 with relatives in Ellerbe, N. C.

Robert Minick of Brunswick spent last weekend with Mr. and Mrs. J. L. Minick.

Miss June McCormick of the University School of Nursing, Augusta, was the weekend guest of her parents, Mr. and Mrs. John McCormick.

Mrs. George P. Grooms returned from Chattanooga, Tenn., after spending two weeks with Mr. and Mrs. Richard Jackson.

Miss Doris Parrish of the Elberton School faculty spent her spring holidays with her parents, Mr. and Mrs. H. G. Parrish.

Mr. and Mrs. C. B. Free and children of Bamberg, S. C. visited at the home of H. M. Robertson the past weekend.

Mr. and Mrs. W. O. Denmark have spent the past two weeks at Hot Springs, Ark.

Mrs. Mattie Rogers is visiting relatives in Savannah.

## Bishop Stuart visits Trinity Church here

The Rt. Rev. Albert Rhet Stuart, D. D., bishop of the Diocese of Georgia, made a brief visit to Trinity Episcopal Church in Statesboro on Saturday afternoon, March 16. He assisted the vicar, the Rev. Fr. Robert E. H. Peoples, in administering the Sacrament of Holy Baptism to four candidates.

At 4:30 o'clock following the singing of Evensong, the bishop administered the apostolic rite of the Laying On of Hands, commonly called the Sacrament of Holy Confirmation to a class presented to him by the vicar.

At a coffee, sandwich and cake reception held afterwards in the parish hall, Bishop Stuart was asked to make a presentation on behalf of the congregation of Trinity Church to Mr. and Mrs. J. Minton Tinker on the occasion of their twenty-fifth wedding anniversary. Both husband and wife replied with appropriate speeches upon

## Rites held for Mrs. Frank

Mrs. Hattie Frank, 72, died Sunday evening, March 24, in the Bulloch County Hospital after a long illness. She had lived in Bulloch County for the past 10 years, coming here from Orlando, Fla.

She is survived by her husband, L. P. Frank of Port St. Joe, Ind.; one sister, Mrs. Mary Napp of Lewistown, O., and one brother, John Atkins of Carrollton, O.

Funeral services were held Tuesday at 4 p. m. at the grave-side in Port St. Joe cemetery, with the Rev. David Hudson officiating.

Palbearers were Albert Cooper, Rupert Parrish, Willie Parrish, Herbert Stewart, Dave Newton and Eustas Lucas.

The body remained at the Smith-Tillman Mortuary in Statesboro until time for services.

**Civil Defense**  
max lockdown  
Director, Statesboro and Bulloch County

There are several points which  
you as a citizen should bear in  
mind as concerns an adequate  
civil defense program for your  
community.

1. A possible enemy has the  
weapons now to attack us.

2. There is a defense against  
any attack, including atomic or  
hydrogen warfare, and civil de-  
fense is a big part of it.

3. At least 15 million Ameri-  
cans must be trained in civil  
defense, and every American  
must learn the facts of sur-  
vival.

4. Without civil defense your  
city would be helpless; with  
civil defense your losses could  
be cut in half.

5. Your state and local civil  
defense directors must have  
your support.

6. Even if you don't live in a  
big city, you have a job to do in  
civil defense.

7. Read the official civil de-  
fense booklets which are avail-  
able to you. You can double  
your chances of survival if you  
know what to do.

8. Civil defense depends upon  
you. Do your part in your local  
program when you are given a  
call.

**High school**  
**science fair at**  
**G.T.C. Mar. 29-30**

Continued from page 1  
gining at 7 p. m. immediately  
after the exhibits have been set  
up.

The high school exhibits will  
be displayed in the G.T.C.  
biology and chemistry buildings  
and the elementary school ex-  
hibits in the Marvin Pittman  
School.

Seven of the seventeen  
counties in the first district have  
entries in the science fair, with  
an entry coming from each of  
the Bulloch County Schools.

The fair is financed by con-  
tributions from schools, civic  
organizations, businesses, and  
individuals. Those contributing  
this year include: Emanuel  
County Medical Society, Sylva-  
nia Elementary School, the  
Statesboro Ki Sigma Chapter of  
Beta Sigma Phi, Emanuel County  
Institute, P.T.A., Statesboro  
Woman's Club, Union Bag-  
Camp Paper Corporation, the  
Bulloch County Chamber of  
Commerce, and Mrs. Bob  
Saffold of Vidalia.

On Tuesday night, March 24,  
1957, the Chamber of Commerce  
bowling team defeated the  
Rotary team 866 to 737. Leroy  
Covart, B. B. Morris and the  
late Charlie Mathews bowled for  
the Chamber of Commerce.  
Gilbert Covart, Emanuel De-  
Loach as a substitute, Crook  
(B. L.) Smith and Horace Smith  
bowled for the Rotarians.

C. E. Layton, the city engineer,  
in charge of all the city and  
county W.P.A. aid projects an-  
nounced in that issue that the  
paving of Hill Street, Schald,  
Courtland and Oak Streets was  
being completed.

Water Aired announced that  
the new Woman's Club home  
will be completed about the  
third week in April, 1957.

The administrative staff of  
the recently completed Bulloch  
County Hospital included Miss  
Evelyn Howard, superintendent,  
Miss Ellen Hodges, Miss Cleo-  
Martin, Mrs. Marion Roberts and  
Mrs. Joe Hard.

On page three this week we  
have reproduced the front page  
of that first issue. Between it  
and today's issue, March 28,  
1957, are twenty wonderful  
years.

As we go to press with this  
issue we make no effort  
to look back the twenty years  
between. We only look at that  
first issue and say to ourselves:  
"It's been such a short forty-  
five years since the Statesboro  
Bulloch County Chamber of  
Commerce was first published."  
And today we move into our  
twenty-first year of service,  
dedicated to the citizens of  
Statesboro and Bulloch County.

Post 90 of the American  
Legion announced this week that  
the post will sponsor the Legion  
junior baseball program this  
year in a joint project with the  
Statesboro Recreation Depart-  
ment. The team will join league  
play with seven other teams in  
the First District. The program  
will be under the supervision  
of sports supervisor Gil Cone  
of the Statesboro Recreation De-  
partment.
